

## How Do Mercy College Leaving Certificate Results Compare with the National Average?

Here are a few statistics from our Leaving Certificate 2014 results which clearly indicate that more students in Mercy College sit Higher Level papers in these subjects and more students gain honours in their results than the national average. These results are a culmination of hard work by our expert and committed teaching staff, small class groups enabling individual tutoring and a work ethos that is instilled in our students from first year.

<b>Programme</b>	<b>Mercy College</b>	<b>National Average</b>
LCA Distinctions	50%	21%
LCVP Distinctions	54%	11%
